- 

## Personal Projects

### [The Bird Bath](#)

Developed a full-stack blog platform using React, Node.js, and PostgreSQL, allowing users to create and manage content. Implemented a user dashboard where users can change their profile information and administrators can manage site functionalities.

---

## Education

### Coding Boot Camp Certificate

George Washington University, August 2024

### BA in Political Science

Christopher Newport University, December 2010

---

## **Experience**

### **Day Trader**, Self-Employed, May 2018 – 2023

- Conducted in-depth technical and fundamental analysis to identify trading opportunities, leveraging various financial news sources and market indicators.
- Implemented rigorous risk management techniques to minimize losses and protect capital, including position sizing and the use of stop-loss orders.
- Utilized trading platforms and tools for real-time data analysis and order execution.

### **Realtor**, Keller Williams, Northern VA, June 2011 – May 2018

- Facilitated property sales and purchases, guiding clients through the real estate process from start to finish.
  - Conducted cold calling and targeted outreach to generate new leads and expand client base.
  - Delivered engaging presentations to clients, showcasing property features and market insights to drive sales.
- 

## **Supplemental Income Activities**

### **Delivery driver**, DoorDash, September 2023 – Present

- Provided efficient and timely delivery services, maintaining a 95% customer satisfaction rating.
- Managed customer interactions and resolved issues to enhance service quality.
